Dear Sir:

PRIOR ART LETTER

It is the policy of this firm to file in the United States Patent and Trademark Office, a completed PTO Form 1449A/PTO together with attached art copies when prior art is known to the firm, within a reasonable time after the receipt of the official filing receipt PTO Form 103. Accordingly, the referenced documents are attached hereto.

While it is not alleged that the cited art is as complete as the art which may be found by the Examiner, it is, nevertheless, hoped that the Examiner will be assisted thereby.

This art is the closest known to the Applicant, but the art does not show Applicant's concept of a MULTIPURPOSE ADVERTISING DEVICE.

As always, Applicant's attorney remains amenable to assisting the Examiner in the allowance of this application.
